Question 3-2

Native American Consultation - Page 5-6 of the Technical Report states that consultation with interested Native American tribes [regarding on-site cultural resources] is pending. Please provide all correspondence and consultation with Native American tribes since the publication of this document.

RESPONSE

For the CCNPP Unit 3 project, the Applicants will attempt to consult with the Piscataway Conoy Confederacy and Subtribes (Maryland). Information regarding the project has recently been sent to Ms. Mervin Savoy, Piscataway Conoy Confederacy and Subtribes, Inc. (see attached email chain). The Applicants offered to provide additional information, as necessary, for the consultation with Ms. Savoy.
